REPORT

ON

LOUISBURG COLLEGE,

Made by the Board of Education of the North Carolina
Conference to the Conference held at New Bern,
December 4-8, 1907.

Hitherto the property of the school has been owned by Mr. B. N. Duke. Rev. J. E. Underwood appeared before the Board and tendered this property in fee-simple from Mr. Duke to the North Carolina Conference. This offer is made without conditions of any sort further than that which the title he holds carries with it. The deed is so made that the property can only be used for school purposes. Your Board recommends that this offer be accepted, and that a committee, consisting of A. P. Tyer, L. S. Massey, and Dr. B. D. Zollicoffer, be appointed to have charge of the institution for the coming year, and to make all necessary arrangements for its legal transfer to the Conference. Your Board heartily commends it to the patronage of the people.

CLASS OF 1908.

LOUISBURG COLLEGE

For Girls and Young Women.

THE COLLEGE HOME.

THE DESIGN of the President is to surround the pupils, while under her care, with such influences as tend to cultivate taste, refine and polish manners, develop and strengthen the moral sense, and fit them to occupy with ease and grace every department of social and domestic life.

School life should be made pleasant and happy: discontent, worry and homesickness, are alike opposed to successful progress in educational training and the development of amiable and cheerful dispositions. A love for the good, the noble, and true is inculcated. The teachers are the companions and advisers of the pupils, and seek to guide them to the highest ideals of Christian womanhood. The Christian graces give to ladies a charm and power which no adornment of person or culture of intellect, in their absence, can produce.

Young ladies who desire to enter any department of the College, who come with a determination to make the very best use of their time and their parents' money, will be gladly welcomed as students. We will not knowingly receive any one who has been dismissed from another school.

Our rules are easy, and require only ladylike deportment. Young ladies who wish to profit by their associations here shall not be disappointed. Those who are

not deeply interested in their own improvement should not attend College at all; they do not benefit themselves and are a hindrance to others.

DRESS.

For convenience as well as economy, uniform suits have been prescribed. The warm weather dress for street and church wear consists of simple white, with straw hat. At no time during the session are elaborate evening dresses allowed. For Commencement, a simple white lawn is required. For evening wear in the winter, a white wool dress may be worn. Silks are never allowed.

The winter uniform consists of a black coat suit, made in a prevailing style, and the College uniform Oxford cap. Boarding pupils must provide themselves with overshoes, an umbrella, and a cape or shawl for everyday wear.

Young ladies are expected to observe simplicity, good taste, and neatness in dress and personal habits in everyday life, and to be ready at any moment to meet friends or strangers, should calls be made on them. The kind of school dress worn in the College is left to the individual taste.

All students will be required to take some physical exercise, unless excused by a physician. Suits of dark-blue flannel, made under the direction of the teacher of this department, are required.

PREPARATORY COURSES.

Preparatory courses have been arranged for those who wish to enter college, and at the same time are not far enough advanced to take up the first college or freshman studies. Also, many students are able to enter some of the freshman or college classes, but are deficient in other studies in the preparatory course. Such students may enter the freshman or college classes and then select, for study or review, such preparatory studies as they may need or wish to pursue. Many very young students are in this department, where they receive the most watchful care and attention.

GREEN HILL

The foregoing table includes all regular charges except a Society Fee of \$1.00, payable to the Treasurer of the Society.

Our terms are cash in advance at the beginning of each term, except when special arrangements otherwise are made with the Secretary.

No reduction will be made for absence of less than two weeks at the beginning of session. After entrance, students will be charged for the remainder of the term, and no reduction will be made for absence except on account of protracted sickness.

A special rate will be made with students desiring a double course in Music.

A discount will be allowed when two come from the same family.

Daughters of ministers engaged in their regular work will be given free tuition in English.

A charge of \$5.00 is made for Diplomas and \$2.50 for Certificates of Proficiency in special studies.

We think it best that students be limited in pocket money. The College should not be held responsible for personal extravagance.

The College will not be responsible for money or valuables left carelessly lying around. They should be deposited with the Secretary.

The charges of the College have been put as low as it is possible to make it self-sustaining. When a student enters, arrangements are made for her to remain till the close of the term. If any reduction is

made on account of absence or any other cause, it entails a corresponding loss on the College. Hence the decision to make no reduction in tuition except for protracted illness. No reductions will be made for holidays.
